

Friendship Statements

Mark whether you agree (A) or disagree (D) with the following statements about friendship.

	Before Picture Book Reading	After Picture Book Reading	After Wells' Reading
Friends have to agree on all things.			
You must always support friends' choices.			
Good friends tell friends what they honestly think, even if it may not be kind.			
My friends are just like me.			
Friends need to see or talk with each other often in order to maintain strong friendships.			

Did you change your mind about any of the statements? If so, why?

Did you go back and forth on your answer for any of the statements? If so, how would you revise the statement so you could more easily make a decision?
