

Miss Paul & the President Discussion Questions

1. Why weren't women allowed to vote?

2. Why did women want the right to vote?

3. What things did Alice Paul do to fight for women's rights? Were they successful? Why do you think so?

4. How do you think women felt as they worked to gain voting rights but it took decades for that to happen? How do you think they felt once the 19th Amendment was ratified?
